HOME SOLUTIONS

Make a Difference

Volunteer: Do you have a special skill or trade? Are you part of a group looking for a project? Memory Care Home Solutions is always looking for individuals and groups to partner for long and short term projects.

Memorial/Tribute Gifts: Does a loved one or friend have a special occasion coming up? Would you like to honor the life of someone who has passed away? All donations made in honor of ANY occasion will be used to directly impact the lives of those we serve. A letter will be mailed to notify the individual or family you are honoring of this special gift. Special donation envelopes are available for distribution.

Home Safety Item Drive: Host an item drive in your place of work, worship, with your family or community group. The caregivers we serve are in constant need of items to assist in keeping their loved ones safe. Cabinet locks, door alarms, non-skid mats and more can be collected and donated. Consider replacing your annual gift swap with an item drive – or host a party and “charge” one item for admission.

Community Outreach: Memory Care Home Solutions is looking for individuals to assist with setting up and giving presentations in the community.

Schnucks e-scrip Program: Sign up at your local Schnucks or contact us and we will get a registered card in the mail to you. Hand your card to the cashier before you pay and Memory Care Home Solutions automatically receives a donation equal to 3% of your monthly purchases from Schnucks – at no cost to you! Recruit family and friends to participate.

Talk and Tour/Lunch and Learn: Join Memory Care Home Solutions (and invite a friend!) for an hour and a half presentation about our Mission and Programs. Light meal included. This program is also available on the road – you provide the group and place - we provide the presentation and educational materials.

Memories and Melodies: THE event of the year! Co-Chairs Mary Lee and Bob Hermann invite you to join us Thursday evening, November 10, 2011 for our annual function and largest fundraiser – honoring Betty and David Farrell with the organization’s third Alzheimer’s Community Service Award. Sponsorship Opportunities and Ads in the printed evening program are available and items for the silent auction are deeply appreciated. A Planning Committee is forming now; your expertise is needed! If you are not able to help plan or sponsor, give us a call and make sure your name is on the list for an invite.

Host an Event: Do you have a group just waiting for something meaningful to do? Host an event to support Memory Care Home Solutions! You choose the date, time and event – and let us know what we can do to help!

Memory Care Home Solutions is a 501 (c)(3) non-profit organization that exists to extend and improve quality time at home for families caring for loved ones with memory loss, dementia or Alzheimer’s disease.
